Re: PARKING METER AND POST REMOVAL FEE

---

Frequently the City is requested to remove and reinstall parking meters and or/posts because of various construction projects by various individuals, companies or corporations. Presently, the City does not charge for this service. Lost revenue is estimated to be \$2.50/day from the removed meter and/or post and \$17.51/hr labor cost for removal and reinstallation. Minimum total cost for removal and reinstallation per meter and/or post would be \$20.01. This cost does not include any replacement parts.

It is the sole responsibility of the Police Department and Parking Control Officers to remove and reinstall parking meters and/or posts. Collection of the fees will be through the Right-of-Way Department.
